IMPORTANT! READ THESE INSTRUCTIONS FIRST

- Study assembly drawings carefully before starting.
- Each part is identified by a part number (14).
- Scrape paint from areas to be cemented.
- Before cement is used, check the fit of each part.
- Use only enough cement to join parts.
- Apply cement to small parts with a toothpick.
- Use cement made for styrene plastic only.
- Allow paint to dry thoroughly before handling.
- Your model may be painted to match the box photos.
- Cement all parts except where Do Not Cement symbol is shown.
- Follow the step numbers in each assembly drawing.
- ★ Refer to other assembly drawing for location.
- Refer to last page for decal and painting instructions.
